3. That the Board hereby grants, leases and lets unto the Developer, the subject property for a term of five years from and after August 5, 2015, and terminating on August 4, 2020 (the "primary term"); and as consideration therefore, the Developer shall pay unto the Board as ground rent, the amount of \$1,544.00 (\$200.00 per acre) each year with the first payment being due and payable upon the execution hereof, with like and equal payments being due and payable in advance on or before the 5th day of August of each year during the primary term hereof. At the conclusion of the

primary term hereof, the Developer shall have the right to renew this lease contract for an additional five (5) year term, provided the Developer has made substantial efforts to develop the property, as set forth in paragraph 3 below, and has not otherwise breached this agreement. To exercise the right of renewal, the Developer should submit a written request to renew this contract to the Board at least sixty (60) days before August 4, 2020. The renewal lease instrument may be in substantially the same form as this contract. If the 16th Section Land Manager objects to the proposed reduction, then the Board shall determine the amount of the rental due, based upon the information supplied by the Developer and the 16th Section Land Manager.

4. The Developer shall put forth a reasonable effort to develop the subject property so that long term commercial leases may be issued by the Board covering all or some portion of the captioned property. To comply with its obligation to develop the property, the Developer shall be required to maintain seven developed lots for sale with respect to this Development Lease Contract between the Board and Developer in Section 16, Township 7 North, Range 2 East, Madison County, Mississippi, during each year of the lease. Developer shall not be responsible to actually sell long term leases for the minimum number of lots, but said lots must be marketed and available for sale each year, subject to the availability of sufficient land for commercial development and subject to City, County and other government approvals and permits.

5. The Developer and/or its successors in interest, shall pay any ad valorem taxes due or to become due during the term of this lease.

6. Commensurate with development of the subject property, Developer may seek a renewal of the development lease with the Board for the subject property or may assign the right to enter long term commercial leases to third parties selected by Developer. The Board may also grant

partial assignments of the Development Lease Contract for development of the subject property. During the term of this Development Lease Contract, the Board will grant unto assignees of the Developer, long term commercial leases as permitted by statute.

7. The Board shall issue, upon request by Developer as prescribed in paragraph 5, a forty (40) year primary term lease (substantially in the form of the instrument attached hereto as Exhibit "A") providing an option to renew same for an additional twenty-five (25) year period at the expiration of the primary term thereof, as allowed by statute now or allowed in the future by amendment. Should the commercial lease terms provided for herein be prohibited or changed by statute after the date hereof, it is agreed by and between the parties that the terms listed herein shall be amended so as to comply with the provisions of the applicable statutes at the time the long term lease is executed.

8. Developer may, with permission of the Board, assign this lease to other developers for construction of office buildings on the lots. An assignment fee of \$200.00 per lot shall be due and payable to the Board as consideration for each assignment.

9. Prior to presenting any development plat or plan to any governmental authorities for approval, and prior to the execution of any long term lease contract pursuant to this agreement, Developer shall complete and submit to Board, and obtain Board's approval of site plans for development of said property. Thereafter, Developer agrees to develop said property in accordance with the approved site plans. The approved site plans may not be altered or amended without approval of the Board.

10. The Board shall support the Developer in its efforts to develop the subject property, including but not limited to, using the Board's best efforts to obtain the approval of the form of any lease agreement by any commercial or governmental lending institution and other matters pertinent thereto.

11. The violation of any condition or part of this agreement shall operate as a default of the entire agreement upon the election of the performing party, and in the event of litigation involving this Lease Contract, the prevailing party shall be entitled to reasonable attorney's fees and all litigation costs.

covenants and other provisions requiring compliance with all municipal land use and development codes and regulations.

13. The Board reserves all oil, gas and other minerals, and merchantable timber lying in or on the hereinbefore described property.

16TH SECTION PUBLIC SCHOOL TRUST LANDS
COMMERCIAL PROPERTY LEASE CONTRACT

STATE OF MISSISSIPPI
COUNTY OF MADISON

THIS COMMERCIAL PROPERTY LEASE CONTRACT (hereinafter "Lease
Contract"), made and entered into this the ____ day of _____, 20____, by and

between the MADISON COUNTY, MISSISSIPPI, BOARD OF EDUCATION TRUSTEES OF THE MADISON COUNTY SCHOOL DISTRICT 16TH SECTION SCHOOL LANDS TRUST (hereinafter "Lessor"), and _____ (hereinafter "Lessee").

WITNESSETH:

That for the term and in consideration of the annual rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by the Lessee, and by the authority and under the direction of the Madison County, Mississippi, Board of Education, Lessor does hereby lease, let and rent unto Lessee the following described land (hereinafter "Leased Premises"), to wit:

Legal Description

1. **Term.** Subject to other provisions herein contained, the term of this Lease Contract shall be for forty (40) years, beginning on the ____ day of _____, 20____, and terminating on the ____ day of _____, 20____, (the "primary term"). For purposes of this Lease Contract, the Anniversary Date shall be on the anniversary of the beginning of the primary term. It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to Lessee to renew this lease for an additional or "secondary term" of twenty-five (25) years as provided in §29-3-69 Miss. Code Ann. (1972), beginning on the ____ day of _____, 20____, and terminating on the ____ day of _____, 20____, at an annual rental based upon the fair market value of the land, excluding buildings and improvements not then owned by Lessor, as determined by a qualified appraiser selected by the Lessor who performs his appraisal not more than twelve months prior to the expiration of the primary term. To exercise the right to renew this lease for an additional twenty-five (25) years, Lessee must file with Lessor written notice of Lessee's intent to renew said lease. The notice to renew must be filed on or before the expiration of the forty (40) year primary term. In the event of the failure of the Lessee to exercise his right to re-lease the Property at such time, any holder of a valid first deed of trust upon the leased premises shall have a prior right to re-lease the premises at an annual rental based on appraised value, said lease to be substantially in the same form as this lease.

2. **Annual Rent.** Lessee covenants and agrees to pay or cause to be paid to Lessor annually, on or before the Anniversary Date each year during the term hereof, annual rentals in advance. Payment of annual rentals shall be due on or before the Anniversary Date of this Lease Contract. The obligation of Lessee to pay rent under this Lease Contract is unconditional, and the rent shall not be subject to set off for any reason or cause. Lessor and Lessee agree that in the event of termination or

cancellation, any rental payment made during the term of this Lease Contract is not refundable, and Lessee waives any right or claim it may have to refund of rent paid. Rents shall be paid according to the following schedule:

<u>YEAR</u>	<u>ANNUAL RENTAL</u>
1 - 10	\$
11-20	\$ As Adjusted Pursuant to Paragraph 3
21-30	\$ As Adjusted Pursuant to Paragraph 3
31-40	\$ As Adjusted Pursuant to Paragraph 3

In the event Lessee is delinquent in the payment of rent, Lessee shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than thirty (30) days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, than a rate equal to five percent per annum above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Lessor is located, calculated according to actuarial method. Failure of Lessee to pay the annual rentals listed above shall constitute a breach of this Lease Contract.

3. Rent Adjustment Procedure.

A. Prior to the tenth (10th), twentieth (20th) and thirtieth (30th) anniversary dates of the commencement of this Lease, Lessor shall have a reappraisal made of the subject property and a re-determination of a reasonable annual rental for the property. Lessor shall, six months before or six months after any such date, cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount. The reappraisal shall be made pursuant to the terms of § 29-3-65 Miss. Code Ann. (1972), or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value.

Lessor shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before expiration of the primary term. In the event Lessor shall fail to instigate reappraisal within the six months preceding any rent adjustment date, Lessor shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date) Lessor may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and Lessee shall pay any deficiency to Lessor within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall establish the fair market value of the Leased Premises and establish a reasonable current percentage of income on real estate investments for the purposes of determining annual fair market rental. Such percentage shall be no less than the minimum acceptable percentage provided

by statute then in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by Lessee, using an appraiser selected by Lessor.

The Lessor shall notify Lessee of the reappraisal in writing a minimum of ninety (90) days prior to said dates. The reappraisal shall establish the fair market value of the property and the fair return on value for rent. Buildings and other improvements on the property, which are not owned by Lessor shall be excluded from the reappraisal evaluation. The amount of the annual rental so determined as of the tenth (10th) anniversary date shall be paid annually for the next succeeding ten (10) years; the annual rental so determined as of the twentieth (20th) anniversary date shall be paid annually for the next succeeding ten (10) years; and the annual rental so determined as of the thirtieth (30th) anniversary date shall be paid annually for the balance of the Lease term.

i) Any adjustments of annual rental determined by the above-mentioned statutory appraisal procedure shall be binding upon the Lessor and Lessee.

ii) The annual rental on any adjustment date shall not be reduced below the amount established upon the initial date of this Lease except upon determination by the Statutory Procedure.

B. Should the Statutory Procedure described in subparagraph (A) above result in an increase over the amount previously due, Lessee, by notice in writing given to the Lessor within fifteen (15) days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:

(i) Lessee may provide an appraisal by an appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the fair market value of the land and a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of Lessee's appraiser shall be delivered to Lessor within 45 days after the date on which Lessor gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.

same organization of appraisers as Lessor's appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If Lessors's appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and the Lessee's appraiser must hold the same or a higher designation as held by Lessor's appraiser.

4. **Taxes.** Lessee covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the Leased Premises and Lessee's interest therein; Lessee covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Contract or any other fees so determined by law. All payments for general and special taxes and assessments shall be made directly to the governmental authority responsible for collecting such taxes and assessments. During the final year of the lease term, Lessor or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments, including drainage taxes, in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from Lessee under this lease, then Lessee agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments. Lessee's failure to pay said taxes, as and when due, shall constitute a breach of this Lease Contract and shall entitle Lessor to terminate this lease.

5. **Default.** The parties herein expressly agree that if default shall be made in the payment of any general or special tax or assessment or rent due, made pursuant to this Lease Contract, then and in any event of default, it shall be lawful for Lessor to enter upon the Leased Premises, or any part thereof, after Lessor has provided sixty (60) days prior written notice to Lessee and upon Lessee's failure to cure such default within said sixty (60) days, either with or without the process of law, to re-enter and repossess the same, and to distrain from any rent or assessment that may be due thereon, at the election of Lessor, but nothing herein is to be construed to mean that Lessor is not permitted to hold Lessee liable for any unpaid rent or assessment to that time. As to all other conditions, covenants, and obligations imposed on Lessee herein, enforcement shall be by proceeding at law or in equity against any person violating or attempting to violate said conditions, covenants, and obligations to restrain violation and recover damages, if any, including reasonable expenses of litigation including, but not limited to, fees charged by attorneys, expert witnesses, surveyors and appraisers, which Lessee expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after

sixty (60) days written notice. Enforcement proceedings shall include the right of the Tax Collector to recover any tax, assessment, fees and costs. Invalidation of any provision(s) of this Lease by judgment or court order shall in no way affect any of the remaining provisions which shall remain in full force and effect.

6. **Remedies.** In the event of any forfeiture, default, or cancellation of this Lease Contract or termination of the term therefore aforesaid, Lessee shall quit, deliver up and surrender possession of the Leased Premises, and all Lessor-owned structures and improvements thereon to the said Lessor, and thereupon this Lease Contract and all agreements and covenants on Lessor's behalf to be performed and kept, shall cease, terminate, and be utterly void, the same as if the Lease Contract had not been made. At Lessor's option, Lessee shall be required to remove all Lessee-owned improvements. In addition thereto, Lessor shall be entitled to whatever remedies it may have at law or equity for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of Lessee's non-fulfillment or non-performance of the terms and conditions of this Lease Contract, including costs for removing Lessee-owned improvements.

Immediately upon the termination of this Lease Contract, whether for forfeiture, default or cancellation, Lessor shall be entitled to take possession of the Leased Premises and all Lessor-owned improvements thereon absolutely, notwithstanding custom, usage, or law to the contrary. Any removal of property from the Leased Premises shall be accomplished so as to leave the Leased Premises in a condition satisfactory to Lessor. At Lessor's option, Lessee shall remove all of Lessee's property within thirty (30) days of Lessor's repossession. Lessee shall be subject to the accrual of rent during the said thirty (30) day period.

7. **Curing Default.** Notwithstanding any provision of this Lease to the contrary, any present or future holder of a mortgage or a deed of trust representing money loaned on these facilities, shall have the right of a thirty (30) day notice of default within which to cure any default which may be cured by the payment of money. In addition, for any other default for which a forfeiture of said Lease Contract may be invoked, such holder of such mortgage or deed of trust shall be entitled to a notice in writing of the claimed default and shall have a reasonable time, which shall not be less than sixty (60) days, either to require the correction of such default or in lieu thereof, to protect itself through the exercise of a power of sale and thereby acquire a leasehold in the Leased Premises and correct such default. Lessee hereby covenants and agrees to notify Lessor of the existence of all such mortgages, deeds of trust, or other secured encumbrances, and that, in the absence of such notice, Lessor has no obligation whatever to notify any such holder of said encumbrance.

Any recorded mortgage or deed of trust may provide that any default by the

(ii) The appraiser appointed by Lessee and the appraiser previously appointed by Lessor under the Statutory Procedure shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of Lessee's appraiser, the two appraisers, within such 10-day period, shall each submit the names of three appraisers having the qualifications hereinafter described who practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria.

(iii) The review appraiser shall review and analyze the two appraisal reports, and, if needed, inspect the land, consult with the two appraisers, review their assumptions and source informational and request corrections, revisions and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.

(iv) The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by Lessor and Lessee as the current fair market rental value of the Leased Premises.

C. If Lessee requests the Alternate Procedure, Lessee shall pay all fees and expenses of Lessee's appraiser, the review appraiser and any additional charges of Lessor's appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.

D. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.

E. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date, or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of these rental adjustment procedures effective as of the rental adjustment date.

F. The rent adjustment procedures will not delay the due date of rent at the existing annual rate and will not affect Lessor's right to declare a default if rent is not timely paid.

G. Lessee's appraiser and the review appraiser must be members of the

Lessee/Mortgagor concerning this Lease shall likewise be a default of such mortgage or deed of trust, but failure to indicate such provisions in any mortgage or deed of trust shall not affect the validity or propriety thereof nor diminish the protection extended to the holder of such mortgage or deed of trust or the indebtedness secured thereby.

8. **Assignment.** Provided Lessee is not in breach of this Lease Contract, Lessee may, upon payment of a \$200.00 transfer fee to Lessor and obtaining Lessor's written approval, assign this Lease in its entirety, whereupon the Lessee shall be relieved of all obligations accruing subsequent to the assignment. Lessee shall file a written request for approval of assignment with the Madison County, Mississippi, Board of Education, Post Office Box 159, 117 Fourth Street, Flora, Mississippi 39071. Said assignment request shall include a true copy of the instrument evidencing such transfer and the Assignee's current address and telephone number.

9. **Regulatory Compliance.** Lessee shall comply with all applicable laws, rules, and regulations concerning Lessee's use of the property and/or obligations under this Lease Contract. This obligation shall include, but not be limited to, compliance with federal, state and local environmental regulations concerning the air, water and soil, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of the air, water or soils arising out of any Lessee use, Lessee shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this Lease Contract. Notwithstanding the requirements of this paragraph, Lessee:

A. Will not sue, generate, manufacture, produce, store, release, discharge, or dispose of, on, under or about the Leased Premises or transport to or from the Leased Premises any hazardous substance or pollutant (as either may be defined by an present or future laws or regulations of any governmental authority or by an administrative or judicial decisions) or any solid wastes and will not allow any other person to do so.

B. Shall keep and maintain the Leased Premises in compliance with, and shall not cause or permit the Leased Premises to be in violation of, any environmental laws or regulations nor any laws or regulations pertaining to the disposal of solid, liquid, or gaseous wastes, both hazardous and non-hazardous.

C. Shall give prompt written notice to Lessor and the Secretary of State of:
(i) Any proceeding or inquiry by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the Leased Premises or the migration thereof from or to other property;
(ii) All claims made or threatened by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the Leased

Premises or the migration thereof from or to other property.

(iii) Lessee's discovery of any occurrence or condition that would cause the Leased Premises to be subject to any restrictions on the ownership, occupancy, transferability or use of the Leased Premises under any environmental or solid waste disposal law, regulation, ordinance or ruling.

10. **Environmental Accidents.** Lessee shall immediately furnish written notice of all spills, leaks, accidents or similar matters on the premises to Lessor and the Secretary of State at the addresses provided in this instrument. Lessee shall also furnish Lessor and the Secretary of State a copy of all filings, including but not limited to, environmental issues, required bylaws, rules or regulations arising out of any spills, leaks, accidents, or other matters related to the use and occupation of the premises by Lessee. Nothing in this paragraph shall place any duty of cleanup or remediation of property upon Lessor, with those duties belonging exclusively to Lessee. Lessee shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this Lease Contract.

11. **Breach of Lease Contract.** If Lessee breaches any of the provisions of this Lease Contract and fails to cure the same after sixty (60) days written notice from the Lessor, then Lessee, in addition to any other damages for which it may be responsible, shall pay Lessor, its reasonable costs and expenses in enforcing the Lease Contract, including but not limited to, fees charged by attorneys, expert witnesses, surveyors and appraisers.

12. **Notices.** All notices specified by this instrument shall be in writing and sent by registered or certified mail, postage prepaid, to the following address or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to who notice shall be sent.

13. **Insurance.** Lessee shall maintain contractual and comprehensive general liability insurance with a company acceptable to Lessor and the Secretary of State, with a minimum combined single limit of liability of one million dollars (\$1,000,000.00) [and the members of Lessee shall collectively maintain a similar policy or self-insure for an excel limit of liability of one million dollars (\$1,000,000.00)] for personal injuries or death of persons or destruction of property arising out of its operation, use or occupancy of the Leased Premises. Lessee shall furnish proof of insurance (or self-insurance for Lessee's members, if applicable) to Lessor, shall keep this insurance (or self-insurance for Lessee's members, if applicable) in full force and effect, and shall furnish Lessor notice if the coverage is placed with another insurance company (or if the self-insurance for Lessee's members is managed by another company, if applicable). The amount of this instrument shall be adjusted for inflation every ten years on each tenth anniversary of this instrument according to the procedures then set forth by the Office of the Secretary of State of Mississippi.

14. **Indemnification.** Lessee shall protect, indemnify, defend, save, and hold harmless Lessor, the Secretary of State and the State of Mississippi, its officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to, all court costs and attorney fees and all personal injury or death and/or damage to any person or entity including, but not limited to, Lessor and its property or other loss arising out of any alleged noncompliance with laws or caused by Lessee's exercise of its rights under this Lease Contract and/or resulting from the actions or omission of Lessee in

connection with its presence on or any use of the Leased Premises by Lessee, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by Lessee as described in this paragraph shall not extend to intentional or negligent acts of Lessor, its officers or agents. In the event the intentional or negligent acts of Lessor, its officers or agents, are not the direct or sole proximate cause for one hundred percent (100%) of the loss of claim, Lessee shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to Lessor, its officers or agents.

15. **Mortgage Transactions.** The preceding restrictions on assignments of this lease shall not apply to, and no prior approval of Lessor shall be required for: (i) a mortgage of the leasehold estate; (ii) a foreclosure or an assignment of the leasehold estate to the mortgagee in lieu of foreclosure; or (iii) a transfer by a mortgagee who has acquired the leasehold estate and such transfer occurs within a reasonable period of time commensurate with liquidation of the asset. However, any person acquiring the leasehold estate by any of the above means shall be obligated, within ten (10) days thereafter, to provide Lessor with a copy of the recorded assignment. No mortgagee shall be deemed to have assumed, and no mortgagee shall be personally obligated to perform any of Lessee's obligations under this lease which accrued prior to acquisition of the leasehold estate, provided that this limitation on personal liability shall not diminish the rights and remedies otherwise available to Lessor in the event of a default nor the right of a mortgagee to cure defaults as herein provided. A mortgagee, having acquired the leasehold estate through foreclosure or assignment in lieu of foreclosure, shall be liable for performance of all obligations of Lessee which accrue during the period the mortgagee has ownership of the leasehold estate, and any rent payment which becomes due during such period shall be paid in full and not pro-rated. Nothing contained in this Lease Contract or in any mortgage shall release Lessee from the full and faithful performance of Lessee's obligations under this Lease Contract or from any liability for non-performance or constitute a waiver of any right of Lessor against Lessee. The term "mortgage" as used in this paragraph means any mortgage, deed of trust, collateral assignment or other transfer or pledge of this lease as security for an indebtedness of Lessee; and the term "mortgagee" means the holder of the indebtedness to whom or for whose benefit this Lease Contract has been mortgaged or pledged as security.

Notwithstanding any provision of this Lease Contract to the contrary, in the event of a default and foreclosure of a mortgage or deed of trust representing money loaned on the hereinbefore described property or the receipt of a transfer in lieu thereof, the purchaser at such foreclosure or the recipient of a transfer in lieu thereof, will receive all the rights and privileges of a lessee and likewise assume all responsibilities of a lessee as if such purchaser or transferee had initially been a lessee under this Lease Contract.

16. **Waste.** The Lessee shall be responsible for any damage that may be caused to Lessor's property by the activities of the Lessee under this Lease Contract, and shall exercise due diligence in the protection of all improvements, timber and other property of Lessor, which may be located on the Lease Premises or in the vicinity thereof, against fire or damage from any and all other causes. Lessee shall further comply with all applicable laws, rules and regulations concerning Lessee's use of the property and/or obligations under this Lease Contract. This obligation shall include, but not be limited to, compliance with federal, state and local environmental endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. If the Lessee shall commit, cause to be committed, or permit the commission of any act of waste on the leased premises, then this lease shall thereupon cease and terminate and shall thenceforth be null and void, and the Lessee shall be and remain liable to Lessor for any and all waste and damages to the land permitted, done, or in any way caused by the Lessee. In the event of contamination of soils, air or water arising out of any Lessee use,

17. **Quiet Possession.** Lessee shall have quiet and peaceful possession of the Leased Premises as long as compliance is made with terms of this Lease Contract.

18. **Bankruptcy or Judgments.** Lessee hereby covenants and agrees that if an execution or process is levied upon the Leased Premises or if a petition of bankruptcy be filed by or against Lessee in any court of competent jurisdiction, Lessor shall have the right, at its option, to cancel this Lease Contract. Lessee further covenants and agrees that this Lease Contract and the interest of Lessee hereunder shall not, without the written consent of Lessor first obtained, be subject to garnishment or sale under execution or otherwise in any suit or proceeding which may be brought against said Lessee.

19. **Condemnation.** If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for Lessee's normal business activity, should be condemned for any public use or conveyed under threat of condemnation, then this Lease Contract shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to Lessor without participation by Lessee, except to the extent the award fairly represents the value of improvements which are the property of the Lessee. It is provided, however, that nothing herein shall preclude Lessee from prosecuting any claim directly against the condemning authority for loss of business, cost of relocation or any other amounts to which a tenant may be entitled, provided that no such claim shall diminish or otherwise adversely affect the amount of Lessor's award.

20. **Classification/Use.** The lands herein have been classified as Commercial in

accordance with §29-3-31, et seq., Miss. Code Ann. (1972), as amended. Lessor warrants that the Leased Premises shall be permitted to be used for a commercial business for the duration of the term. This warranty does not apply to any change in use which may be required by governmental authority or other means beyond the control of Lessor.
