**RE: Forfeiture of Local System Bridge Funds (LSBP)**

Pursuant to my earlier letter concerning the recession of LSBP funds from Madison County, in accordance with Section 65-37-7 (3) Mississippi Code of 1972, I have received the letter explaining the circumstances as to why you have not expended your funds for the two year period indicated. The letter is sufficient evidence that you have made or are in the process of making an acceptable effort in the expenditure of your LSBP funds.

Based upon the explanation, no LSBP funds will be taken from your county. I look forward to assisting you in this continued effort.

Sincerely,

H. Carey Webb, P.E.  
State Aid Engineer
