Re: Fence Project

Dear Mark:

Representatives of the Canton Chamber of Commerce, Canton Convention and Visitors Bureau, Canton Redevelopment Authority, and the Historical Society would like to be placed on the Board of Supervisors' agenda for Monday, October 19, 2015. As we previously discussed, we would like to make application to the County to file for a \$100,000.00 grant application to finish the fence on the courtyard concurrent with the tremendous effort that the County has shown in regard to rehabilitating the old courthouse.

Please acknowledge that you will place this matter on the agenda for October 19.

With best wishes,

Sincerely,

MONTGOMERY McGRAW, PLLC
