Dear Mark:

Enclosed you will find the proposed Contract for Professional and Technical Services that I met with you about last week. This contract has a not-to-exceed cap of \$25,000 and will allow us to provide technical assistance to the county as requested on GIS related matters that we have been assisting on in the past. Primary areas of involvement will include map viewer maintenance and updating E-911 data sets, structure pointfiles, road names, road centerlines and address ranges.

As always, we appreciate the opportunity to be of assistance to Madison County and look forward to continuing to improve data collection, maintenance and dissemination in the County. Please feel free to contact me should you have any questions.

Sincerely,

Chuck Carr
