Well our property owners association finally met and attached is our petition with 10 households. We currently have 13 homes in our subdivision. Please let me know if you need anything else from me to get this item on the next Supervisors meeting agenda. Thanks

Madison County's Curbside Recycling is currently available to those who elect via petition by 51 percent of the homes in a platted subdivision. The request should contain the homeowner's name, signature, and address. Please let me know if you have any additional questions – Enjoy a great weekend! Vickie

Good Morning,

Just touching base to see when to expect the recycling container or find out if we can pick it up. Thanks again.

James
