Subject: Authority to purchase siren, LED lights, and lighting control unit for Constable-elect Brad Harbor's vehicle

Gentlemen:

Constable-elect Brad Harbor has requested that the county purchase a siren, LED lights, and a lighting control unit for his vehicle. The total cost of the requested equipment, including a blue light, is \$450.

The county is only required to purchase a blue light, markings for vehicle, and two standard uniforms for constables. All other purchases require board approval.

I recommend approval, as Mr. Harbor's request is in line with the extra equipment that has traditionally been provided to constables.

Sincerely,

Hardy Crunk
Purchasing Clerk
