RE: Computer

Hello Shelton:

Enclosed is a check for payment for a computer that Duane has ordered through Madison County. Duane's email stated the amount to be \$1070.00 instead of \$1057.00 which is showing on the attached quote. Therefore, I cut the check for \$1070.00 which is no big deal either way.

And, as I understand from Duane, this item will be listed on Madison County's inventory and not that of the District Attorney's Office.

If you have any questions, please feel free to give me a call.

Sincerely,

A handwritten signature in blue ink that reads "Sharon Jernigan".
