Re: Tax Parcel No. 071E-15-001/01.02

Dear Mr. Johnson,

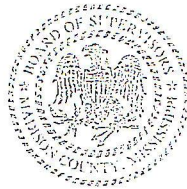

The Madison County Zoning Ordinance, amended October 24, 2005, in Article IV, Section 400, Subsection 406.05, states in part, "Materials and Growth Constituting Public Health and/or Safety Hazards: No rubbish, junk or hazardous waste materials, including inoperable vehicles and parts and combustible matter shall be openly stored or burned, allowed to accumulate or kept in the open, and no weeds or other growth shall be allowed to go uncut within any district when the same shall be determined by the appropriate County Official (the Zoning Administrator or other authorized County employee) or health official to constitute a menace to the public health and/or safety."

An inspection made of the property referenced above reveals weeds, brush, and other growth in violation of the article and section of the Madison County Zoning Ordinance quoted above. You are hereby notified to cut all grass, weeds, and other excessive growth in those areas adjacent to the neighboring properties and public road right-of-ways. An inspection will be made fifteen (15) days from the receipt of this letter to ascertain compliance. If you have any questions, please advise.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sellers".
