### HOW WE COMPUTE THE BALANCE UPON WHICH PERIODIC INTEREST CHARGES ARE ASSESSED

A monthly periodic rate charge is assessed on your purchases average daily balance and your cash advances average daily balance (as shown on the reverse side) as follows:

#### (a) Purchases Average Daily Balance

We figure a portion of the interest charges on your account by applying the periodic rate to the purchases "average daily balance" of your account (including current transactions). To get the purchases "average daily balance", we take the beginning purchase balance of your account each day, add any new purchases and subtract any payments or purchase credits. This gives us the purchases daily balance. Then, we add up all the purchases daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the purchases "average daily balance."

#### (b) Cash Advances Average Daily Balance

We figure a portion of the interest charges on your account by applying the periodic rate to cash advances "average daily balance" of your account (including current transactions). To get the cash advances "average daily balance", we take the beginning advance balance of your account each day, add any new cash advances and subtract any payments or cash advance credits. This gives us the cash advances daily balance. Then, we add up all the cash advances daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the cash advances "average daily balance."

Eligible promotional balances and activity will be calculated separately as stated above. Periodic rates may vary if a variable rate plan is involved.

### LIABILITY FOR UNAUTHORIZED USE

You may be liable for the unauthorized use of your credit card account. You will not be liable for unauthorized use that occurs after you notify us at the address shown on this statement, orally or in writing, of the loss, theft, or possible unauthorized use. In any case, your liability will not exceed \$50.

### BILLING RIGHTS SUMMARY

**What To Do If You Think You Find A Mistake On Your Statement**  
If you think there is an error on your statement, write to us at: **Card Assets, LLC, P.O. Box 2988, Omaha, NE 68103.**  
You may also contact us on the Web: **www.24-7cardaccess.com**

In your letter, give us the following information:

- **Account Information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing* [or electronically]. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

#### Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* [or electronically] at:  
**Card Assets, LLC, P.O. Box 2988, Omaha, NE 68103**  
**www.24-7cardaccess.com**

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
