

December 29, 2015

To: Madison County Board of Supervisors

Effective December 31, 2015, I am resigning from my position as Planning and Zoning Commissioner for District 2.

It has been a pleasure serving the people of Madison County. I hope that I have helped make progress in the area I served. I will be available to assist the new commissioner appointee for District 2 in the transition, if necessary.

Sincerely,
