Subject: Approve agreement with Election Systems & Software for database and poll book coding and technician support for Feb. 23rd Special Election for South Madison Fire District

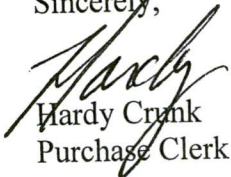

Dear Supervisors:

Attached is a proposed agreement with Election Systems & Software (ES&S) for technical support, GEMS database coding, and poll book coding for the February 23 special election for the South Madison Fire District. The agreement was forwarded to me on December 31 by outgoing Circuit Clerk Lee Westbrook. New Circuit Clerk Anita Wray concurs with the agreement and would like for it to be approved (see attached email).

I recommend that the board approve the agreement and authorize the board president to execute same.

Thank you in advance for your consideration of this recommendation.

Sincerely,

Hardy Crunk

Hi Anita,

Lee Westbrook emailed me the attached quote from ES&S on New Year's Eve. It is for the special South Madison Fire District election. Do you want it to go on the Jan. 19 board agenda for approval?
