

2015 Madison County Road Registry

# Madison County E-911 Administration

Madison County Board of Supervisors

December 2015 Revision  
Revised by J.Carpenter

The Madison County Road Registry reflects the current road status of county roads through the revision date listed on current registry.

Please note roads and status information reflected in registry are subject to change upon recommendation of the Madison County E-911 Administration and approval of Madison County Board of Supervisors.

The Madison County Road Registry is updated once a year for publication. Road names and status changes will be added throughout the following year. Although this registry is an official document of Madison County, The Madison County Road Registry should be used as a reference only. For verification of available road names and current road status information, please contact Madison County E-911 Office. Please note that ALL new and proposed road names must be approved through the Madison County E-911 Office prior to the proposal of use.

Upon The Madison County Board of Supervisor's approval of current registry, Madison County E-911 Office will distribute one (1) copy of the registry to the following personnel/departments:

Madison County Road Department  
Madison County Sheriff's Office  
Madison County Board of Supervisors
