

Re: The Board:

My name is Mr. Johnnie L. Nichols, about two years ago to this day me and my family took a great loss our home that sat at 108 O.1 Mill Ctr. Road Canton Ms. 39046, was burned down due a house fire on ^{the} day before Thanksgiving 2013, we lost everything so since then we have not been able to rebuild our home so that's why we are asking y'all the "board", to give us permission to replace our home with a "trailer", so that I could keep my promise to my "wife", who died on January 31, 2012, she wanted me to make sure that as long as I live that our kid's, and Grandchildren, would always have a place to call home but due to financial reason's I can't rebuild my home but I can afford a trailer, Please help me and my family.

Thank you in advance

Sincerely,
Mr. Johnnie L. Nichols

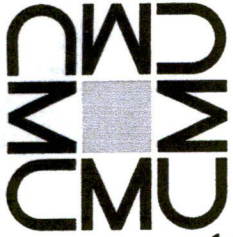

P.S: I'm asking permission to replace my home with a trailer.
