Subject: Award Asphalt Term Bids for Period 1 April 2016 – 30 September 2016

Dear Board Members:

Attached is a bid tabulation and copies of recently-opened term bids for asphalt products and services for the six-month period 1 April 2016 – 30 September 2016.

A few bits of good news:

- The SC 1 Type II surface asphalt price decreased \$4 per ton, from \$55 to \$51.
- The price of liquid asphalt decreased 38 cents per gallon, from \$2.06 to \$1.68.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 Type II ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$51 is higher than APAC-Jackson's bid; however, the round-trip haul distance from APAC-Jackson's plants is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$51.23 compared to \$52.39 from the next lowest bidder, APAC-Jackson, making APAC-Canton the "lowest and best bid." The cost per ton picked up is even greater from D&B and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

2. Award the First Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 April 2016 – 30 Sept 2016 to APAC-Jackson.
3. Award the Second Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 April 2016 – 30 Sept 2016 to D&B.

4. Award the Term Bid for SC-1 Type 8 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-CANTON.

Note: APAC-Canton's bid for SC-1 Type II of \$56 is higher than APAC-Jackson's bid of \$54; however, the round-trip haul distance to APAC-Jackson is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type 8 Asphalt from APAC-Canton is \$56.23 compared to \$58.39 from APAC-Jackson, making APAC-Canton the "lowest and best bid." The cost per ton picked up is even greater from D&B and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

5. Award the First Alternate Term Bid for SC-1 Type 8 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-Jackson.
6. Award the Second Alternate Term Bid for SC-1 Type 8 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to D&B. D&B's and ADCAMP's bids are the same; however, the slightly shorter haul distance to D&B makes it the "lowest and best" second alternate bid.
7. Award the Term Bid for BB 1 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-CANTON.

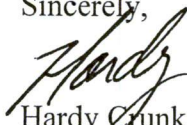

Note: APAC-Canton's bid for BB-1 Asphalt of \$46 is equal to APAC-Jackson's bid; however, the round-trip haul distance to APAC-Jackson's plant is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB-1 Asphalt from APAC-Canton is \$46.23 compared to \$50.39 from APAC-Jackson, making APAC-Canton the "lowest and best bid." Detailed calculations are attached and incorporated as part of this letter by reference.

8. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-Jackson.
9. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 April 2016 – 30 Sept 2016 to Dickerson & Bowen.
10. Award the Term Bid for LIQUID ASPHALT for the period 1 April 2016 – 30 Sept 2016 to ERGON.
11. Award the First Alternate Term Bid for LIQUID ASPHALT for the period 1 April 2016 – 30 Sept 2016 to Blackledge.
12. Award the Term Bid for COLD MIX for the period 1 April 2016 – 30 Sept 2016 to Dickerson & Bowen.
13. Award the First Alternate Term Bid for COLD MIX for the period 1 April 2016 – 30 Sept 2016 to APAC-Jackson.
14. Award the Term Bid for ROAD RECLAMATION for the period 1 April 2016 – 30 Sept 2016 to ADCAMP.

15. Award the Term Bid for ROAD BASE REPAIRS (10-Inch Depth) for the period 1 April 2016 – 30 Sept 2016 to APAC-Canton.
16. Award the First Alternate Term Bid for ROAD BASE REPAIRS (10 Inch Depth) for the period 1 April 2016 – 30 Sept 2016 to ADCAMP.
17. Award the Term Bid for ROAD BASE REPAIRS (11-24 Inch Depth) for the period 1 April 2016 – 30 Sept 2016 to ADCAMP.
18. Award the First Alternate Term Bid for ROAD BASE REPAIRS (11-24 Inch Depth) for the period 1 April 2016 – 30 Sept 2016 to D&B.
19. Award the Term Bid for COLD MILLING for the period 1 April 2016 – 30 Sept 2016 to D&B.
20. Award the First Alternate Term Bid for COLD MILLING for the period 1 April 2016 – 30 Sept 2016 to ADCAMP.
21. Award the Term Bid for HAULING AND LAYING ASPHALT for the period 1 April 2016 – 30 Sept 2016 to ADCAMP.
22. Award the First Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 April 2016 – 30 Sept 2016 to APAC-Canton.
23. Reject Dickerson & Bowen's bid for HAULING AND LAYING ASPHALT for the period 1 April 2016 – 30 Sept 2016 due to the company's failure to meet the specifications. The company did not bid on hauling and laying asphalt from the county's selected asphalt vendor as required by the specifications.

Thank you in advance for your consideration of the above recommendations.

Sincerely,

Hardy Crunk
Purchase Clerk
