MEMORANDUM

March 2, 2016

TO: Board of Supervisors

FROM: Dan Gaillet, P.E.,
County Engineer/Road Manager *DL*

RE: Ms. Williamson's Claim
1524 Livingston-Vernon Road, Flora, MS

I met with Ms. Williamson regarding her claim about water damage to her home and driveway. She is asking that a culvert be installed; however, she is going to have her yard re-graded to help prevent further water damage. My recommendation is to supply her a culvert pipe and to let her contractor do the installation.

Therefore, I am asking the Board for approval to deliver a storm water culvert to 1524 Livingston-Vernon Road for installation by Ms. Williamson's contractor. The cost of the 18" pipe is approximately \$200.00.
