Re: Poll Workers

Behind this memo, you will find a listing of individuals that have been identified by the Democratic and Republican Parties as being trained to work the polls on March 8, 2016.

Those that are identified with two asterisks (“**”) to the right of their name have been named as poll managers for their precinct, if so indicated by the party.

Please take the following action:

1. Approve those individuals on the attached listing as a poll worker for the March 8, 2016 election and authorize payment of \$125 as their poll worker fee, upon certification of their work by the appointed poll manager.
2. Approve the additional fees of \$10 for managers that receive the poll boxes from the Election Commission and \$10 for managers that return the polling materials to the party and allowable mileage reimbursement.
