Madison County Board of Supervisors, Chancery Clerk, and Board Attorney

I am requesting the ratification of the final plat for the Gluckstadt Commercial Center. Following construction of the new interstate interchange in Gluckstadt, a new entrance to the commercial center was constructed and the existing entrance was closed.

Due to a new entrance being constructed, a new road was added. This road needs to be added to the final plat and filed in the Chancery's Clerk office. The new road name is Dees Way. This new road will be added the Madison County registry upon board approval.
