

CONTRACT

THIS AGREEMENT, made and entered into on this the ____ day of March 2016, by and between Madison County, Mississippi, hereinafter referred to as "County", and Waste Management of Mississippi, Inc., a Mississippi corporation, hereinafter referred to as "Contractor".

WITNESSETH:

WHEREAS, the County is desirous of securing the services of the Contractor to operate a residential solid waste pick-up and hauling service for the County; and

WHEREAS, the Contractor desires to provide the operation of a residential solid waste pick-up and hauling service for the County;

NOW, THEREFORE, IT IS HEREBY AGREE AS FOLLOWS:

- 1.0 DEFINITIONS – For the purpose of this Contract, the following words and terms shall have the meaning shown. When inconsistent with the context, words used in the present tense include the future, words in the plural include the singular number, and words in the singular number include the plural number, and the word “shall” is always mandatory and not merely directory.
 - 1.01 Bags, Garbage Cans, and Other Containers -- Bags means standard size plastic sacks designed to store Garbage with sufficient wall strength to maintain physical integrity when lifted by the tops. Bags shall be tied and the total weight of a Bag and its contents shall not exceed 40 pounds. Garbage Cans means any plastic or metal container with a maximum capacity of no greater than forty (40) gallons, with two permanently attached handles for lifting, not made of metal heavier than the typical galvanized metal waste can, and which shall have a mouth diameter greater than that of the base. Other Containers means pasteboard boxes and light wood boxes that are being disposed of alone or with the solid waste inside them. The weight of Other Containers shall not exceed 40 pounds.
 - 1.02 (A) Acceptable Bulky Waste – Items commonly referred to as White Goods, including stoves, refrigerators, hot water tanks, and washing machines. All appliances with a compressor must be properly tagged for Freon removal, which meets United States EPA standards before they can be collected.

(B) Unacceptable Bulky Waste -- Furniture and other similar discarded items, large automobile or equipment parts or pieces, store furnishings or any

other items which would be commonly referred to as scrap metal. However, such items and material originating from a clean out of vacant or vacated residential units will fall under Section 3.02 below.

- 1.03 Contractor – That company chosen by Madison County to be the sole collector of Residential Garbage in unincorporated sections of Madison County which shall deliver the solid waste collected to the Disposal Site or Transfer Station(s) as the County designates.
- 1.04 Commercial Container – Any metal container serviced by a commercial collection garbage truck with a cubic yardage size of two cubic yards or greater.
- 1.06 Commercial Entity – All premises, locations, or entities, public or private, within the unincorporated limits of the County not a Residential Unit or Participating Small Business Unit.
- 1.07 Construction Debris – Waste building materials resulting from construction, remodeling, repair, or demolition operations.
- 1.08 Contract Documents – The Request for Proposals, Contractor’s Proposal, Specifications and any Amendment to the Specifications, the Contract Performance Bonds, the Certified Check or Bid Bond, and any addenda or changes to the foregoing documents agreed to by the County and the Contractor.
- 1.09 County Facilities – Contractor agrees to provide collection services to all current and future County Facilities at no cost to the County. Current County facilities are designated on Exhibit A attached hereto and made a part hereof.
- 1.10 Dead Animals – Animals or portions thereof equal to or greater than 10 pounds in weight that have expired from any cause, except those slaughtered or killed for human use.
- 1.11 Disposal Costs – The chosen collection Contractor will not be required to pay any Disposal Fees and Host Fees at the Disposal Site on solid waste generated in the performance of this contract.
- 1.12 Disposal Site – A landfill chosen by the County for the final disposal of all solid waste collected through this contract. The Disposal fees shall be negotiated by the County with its designated Disposal Site.

The Disposal Site the County currently intends to use for this Contract to which the County shall direct its waste stream for direct delivery by the Contractor shall be the Little Dixie Landfill located at 1716 North County Line Road in the City of Ridgeland, Mississippi. This Disposal Site is fully permitted "Sub-Title D" landfill by the Mississippi Department of Environmental Quality. The County may designate other or additional sites at any time during the term of the Contract.

- 1.13 Garbage – Any solid waste materials resulting from a Residential or Participating Small Business Unit except Unacceptable Bulky Waste as defined in Section 1.02 (B), Construction Debris, Dead Animals, Hazardous Waste, Prohibited Waste, Stable Matter, and Yard Waste. Yard Waste does not include bagged leaves, bagged grass clippings, other bagged yard debris, and bundled, boxed or bagged sticks and small branches not greater than five (5) feet in length and four (4) inches in diameter.
- 1.14 Hazardous Waste – Any amount of waste which is defined, characterized, or designed as hazardous by the United States Environmental Protection Agency or appropriate state agency by or pursuant to federal or state law. For purposes of this Contract, the term Hazardous Waste shall also include motor oil, lead-acid batteries, gasoline, paint and non-dried paint cans, and any container containing household, commercial, or farm chemicals.
- 1.15 Count – Within the first month service begins, the parties will agree on an estimated number of Units to be used as a basis for billing during the first quarter. Prior to the end of the first quarter, Contractor will conduct an actual count of Residential Units and Participating Small Business Units and will submit documented verification of this count to the County. This number will be fixed for subsequent three-month periods and will be revised on a quarterly basis. If an annexation by a municipality occurs during the term of the contract, Units affected thereby will not be included in the Count commencing the first day of the month immediately following the effective date of annexation.
- 1.16 Producer – An occupant of a residential unit or a participating small business unit.
- 1.17 Prohibited Waste – All items described in Section 1.14, rubber tires, or any item excluded from the definition of Garbage in Section 1.13.
- 1.18 Reports and Data – The Contractor shall maintain records as directed by the County for a monthly report. The Contractor shall meet with the County and shall develop a report form to provide the following information:

Listing of complaints and their resolution. The Contractor shall be assessed a fine of twenty-five dollars (\$25.00) per occurrence for failure to log all complaints and their resolution. All complaints which come to the County may be logged to use as verification of the Contractor's log. All complaints received by the County shall be referred to the Contractor's local representative.

- 1.19 Residential Garbage – All Garbage generated by a Producer at a Residential Unit.
- 1.20 Small Business Garbage – All Garbage generated by a Producer at a Participating Small Business Unit.
- 1.21 Residential Unit – An occupied single or multiple-family dwelling within the unincorporated limits of the County. A Residential Unit shall be deemed occupied when either water or domestic light and power services are being supplied thereto. Any condominium dwellings, apartment complexes, or other multiple family dwellings utilizing Commercial Container collection service shall be treated as a Commercial Unit unless specifically agreed upon between the County and the Contractor.
- 1.22 Participating Small Business Unit -- An occupied small business within the unincorporated limits of the County that utilizes the County's Solid Waste Collection Contractor and disposes of its garbage in bags, garbage cans, or other containers as defined in 1.01. Any condominium dwellings, apartment complexes, multiple family dwellings, and non-participating small business, other business, and commercial units utilizing Commercial Container collection service shall be treated as a Commercial Unit unless specifically agreed upon between the County and the Contractor.
- 1.23 Stable Matter – All manure and other waste matter normally accumulated in or about a stable, or any animal, livestock, or poultry enclosure, and resulting from the keeping of animals, poultry, or livestock.
- 1.24 Unit – All occupied Residential Units and all Participating Small Business Units.
- 1.24 Yard Waste – All waste wood, tree trimmings and limbs greater than five (5) feet in length and four (4) inches in diameter, unbagged grass cuttings, unbagged dead plants, unbagged weeds, unbagged leaves, dead trees, or branches thereof greater than five (5) feet in length and four (4) inches in diameter, and unbagged chips, shavings, or sawdust, or other similar materials resulting from yard maintenance or other such activities.

2.0 SCOPE OF WORK

- 2.01 Contractor – The Contractor's work under this Contract shall include all the supervision, materials, equipment, labor, and all other items necessary

to complete the collection and disposal delivery service of all Residential and Participating Small Business Garbage in Bags, Garbage Cans, and Other Containers as defined in 1.01 and generated within the unincorporated limits of the County during the term of the Contract, all in accordance with the terms and provisions hereof. Small Business Units shall retain the right to choose from any available solid waste collection service; however, any solid waste service other than that provided by the County's Contractor under its contract with the County shall be at such Small Business' own expense.

The Contractor's work under this Contract does not include the collection and disposal of any increased volume resulting from a flood, ice storm, wind storm, tornado, or other act of God. In the event of such flood, ice storm, wind storm, tornado, or other act of God, the Contractor and the County will negotiate the payment to be made to the Contractor for the collection and disposal of such increased volume.

3.00 SERVICES

3.01 Unit Collection Service – The Contractor shall provide curbside collection service for the collection of Residential Garbage from each residential Unit one time per week and from each Participating Small Business Unit one time per week. The Monthly Fee per Unit shall include collection and transportation to the Disposal Site.

3.02 Special Collection Services – The Contractor shall not be obligated hereunder to collect any Hazardous Waste, Unacceptable Bulky Waste, Construction Debris, Dead Animals, Yard Waste, Prohibited Waste, or Stable Matter. The Contractor shall notify Producers of the foregoing waste restrictions via advertisements in Madison County's newspaper of record for legal notices, currently the Madison County Herald, and via other media and methods as needed.

3.03 Location of Bags, Garbage Cans, and/or Other Containers – Each Bag, Garbage Can, or Other Container (as defined in 1.01) shall be placed within five (5) feet of curbside on roads which are open to truck traffic for collection, and where such Bags, Garbage Cans, and/or Containers do not block traffic. The Contractor may decline to collect any Bags, Garbage Cans, and/or Other Containers not so placed at the curb; however, Contractor agrees to provide notice to Units of non-compliance prior to the exercise of the right to decline.

4.00 COLLECTION AND DISPOSAL OPERATION

4.01 Hours of Operation – Collection of Bags, Garbage Cans, and/or other Containers shall not start before 7 A.M. nor continue after 8:00 P.M. on the same day.

4.02 Routes of Collection – Collection routes shall be established from time to time by the Contractor. Contractor shall submit a map designating the collection routes to the County within 30 days of the effective date of this contract. If changes occur in routing, the Contractor shall submit an updated collection routes map to the County within 30 days of the effective date of said changes. . It shall be the responsibility of the Contractor to notify the Residential Units of change of service days.

4.03 Holidays – The following shall be holidays for the purposes of this contract:

New Year's Day
Martin Luther King Birthday/Robert E. Lee Birthday
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Christmas Day

The Contractor may decide to observe any or all of the above mentioned holidays, but such decision in no manner relieves the Contractor of its obligation to provide Collection Service at least once per week to all Producers.

4.04 Complaints – All collection complaints shall be made directly to the Contractor and shall be given prompt and courteous attention. In the case of alleged missed scheduled collections, the Contractor shall investigate and, if such allegations are verified, shall arrange for collection within 24 hours after the complaint is received. These will be listed on the complaint log as developed in Section 1.18.

4.05 Collection Equipment – All vehicles and other equipment furnished by the Contractor hereunder shall remain the sole property of Contractor and shall be kept in good repair and appearance.

Each collection vehicle shall have clearly visible, on each side, the identity of the Collection Contractor as well as its local telephone number.

4.06 Office – The Contractor shall maintain an office in Madison County, Hinds County, or Rankin County where there must be a person responsible for Contractor's performance of services available from 7:00 A.M. to 6:00 P.M. on regular collection days, except Saturdays which shall be 8:00 A.M. to 12 Noon. The Contractor shall have a telephone number which is toll-free for the residents of Madison County. The contractor will call forward all calls received after hours to their local contract manager's mobile phone.

4.07 Hauling – All Garbage hauled by the Contractor shall be so contained, tied, or enclosed that leaking, spilling, or blowing are prevented.

- 4.08 Disposal – All Garbage collected by the Contractor shall be transported to the Disposal Site by the Contractor.
- 4.09 Notification – The Contractor shall notify all Producers about collection procedures and the day of service for the initial collection schedule either personally or by mail. The Contractor shall notify Producers of which day a Holiday will be observed to give Producers ample time to make preparations for once a week service for that specific Holiday week. Such notices shall be placed in a conspicuous place in Madison County’s newspaper of record for legal notices, which is currently the Madison County Herald.
- 4.10 Point of Contact – All dealings, contacts, etc., between the Contractor and the County shall be directed by the Contractor to the County Administrator’s Office and by the County to Contractor’s service manager.

5.0 COMPLIANCE WITH LAW

The Contractor shall conduct operations under this Contract in compliance with all applicable laws, regulations and County ordinances.

6.0 EFFECTIVE DATE

This Contract shall be effective and performance of services hereunder shall begin at 12:01 A.M. on May 1, 2016.

7.0 NONDISCRIMINATION

The Contractor shall not discriminate against any person because of race, sex, age, creed, color, religion, or national origin.

8.0 INDEMNITY

The Contractor shall indemnify and save harmless the County from and against any and all suits, actions, legal proceedings, claims, demands, and reasonable costs and expenses (including, without limitation, reasonable attorneys’ fees) resulting from a willful, or negligent act or omission of the Contractor, its agents, servants, and employees in the performance of services under this Contract; provided, however, that a Contractor shall not be obligated to indemnify the County and shall not be liable for any suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorneys’ fees arising out of the award of this Contract or any willful or negligent act or omission of the County, its officers, agents, servants, or employees.

9.0 TERM

9.01 Collection – This Contract shall be for an initial term of five years from May 1, 2016 to and including April 30, 2021. The initial term of this Contract shall be automatically extended without any further action by the parties for one additional one-year term upon the same terms and conditions unless the County or Contractor elects to terminate this Contract effective upon expiration of the initial five-year term by giving the other party at least six-months prior written notice of termination by certified mail, return receipt requested, addressed as follows:

(a) If to the County:

Madison County Administrator
Madison County Chancery Courthouse
Post Office Box 608
Canton, Mississippi 39046

(b) If to the Contractor:

Attn: Senior Legal Counsel

10.0 INSURANCE

The Contractor shall at all times during the term of this Contract maintain in full force and effect Employer's Liability, Workman's Compensation, Public Liability and Property Damage Insurance and furnish the County Proof of Insurance.

For the purpose of this Contract, all Contractors shall carry the following types of insurance in at least the limits specified below:

<u>Coverages</u>	<u>Limits of Liability</u>
Workman's Compensation	Statutory
Employer Liability	\$500,000
Bodily Injury Liability except Automobile	\$500,000 each occurrence \$1,000,000 aggregate

Property Damage Liability Except Automobile	\$500,000 each occurrence \$500,000 aggregate
Automobile Bodily Injury Liability	\$500,000 each person \$1,000,000 aggregate
Automobile Property Damage Liability	\$500,000 each occurrence
Excess Umbrella Liability	\$5,000,000 each occurrence

To the extent permitted by law, all or any part of any required insurance Coverages may be provided under a plan or plans of self-insurance acceptable to the County. The coverages may be provided by a Contractor's parent corporation.

11.0 BASIS AND METHOD OF PAYMENT

11.01 Collection Rates – For Unit collection services performed pursuant to Section 3.01, the initial monthly compensation charge shall be \$8.84 per Unit.

11.02 Billings to County – The Contractor shall bill the County for all services rendered to all Residential Units pursuant to Sections 3.01 within ten (10) days following the end of each calendar month and the County shall pay the Contractor within forty-five (45) days of the County's receipt of Contractor's monthly invoice. Such billing and payment shall be based on the Collection Rate and House Count set forth in this Contract.

12.0 TRANSFERABILITY OF CONTRACT

No assignment of this Contract or any right accruing under this Contract shall be made in whole or in part without the consent of the County, which consent shall not be unreasonably withheld.

13.0 OWNERSHIP

Title to Garbage shall pass to Contractor when placed in Contractor's collection vehicle.

14.0 FORCE MAJEURE

The obligations of the Contractor hereunder are subject to be excused in the event of (i), riots, wars, acts of God, accidents, (ii) governmental orders, decrees, and regulations, or if the Contractor is for any reason delayed or barred by governmental or judicial action with respect to any operations hereunder or at the Disposal Site, (iii) the denial, loss, suspension, expiration, termination, or failure of renewal of any permit, license, or other governmental approval required to collect or dispose of the Garbage, and (iv) any other similar or different contingency, occurrence, or condition beyond the reasonable control of the

Contractor. In such circumstances, the County's obligation to pay for services will be suspended contemporaneous with suspension of services.

15.0 SEVERABILITY

In case any one or more of the provisions contained in this Contract shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions of this Contract and this Contract shall be constructed as if such invalid, illegal, or unenforceable provision had never been contained herein; provided, however, that it is the intention of the parties hereto that in lieu of each term, clause, or provision that is held to be invalid, illegal, or unenforceable, there shall be added as a part of this Contract a term, clause, or provision as similar in terms to such invalid, illegal, or unenforceable term, clause, or provision as may be possible and be valid, legal, or enforceable.

If the County feels the Contractor is not in compliance with the terms, conditions, and provisions of this Contract, the County shall notify the Contractor via certified mail with return receipt requested, to the address as listed in Section 9.0 and give the Contractor thirty (30) days to respond in person at a County Board of Supervisors meeting which has a quorum and, irrespective of an appearance at a County Board of Supervisors meeting, in writing to the County by certified mail, return receipt requested, of its intentions of remedy to become in compliance with the terms and provisions of this Contract. If after thirty (30) days of the Contractor's response to the County, or any reasonable period of time to accomplish the remedy as described by the Contractor's notice to the County, the Contractor has not rectified the situation to the County's sole determination and satisfaction, the County shall notify the Contractor, as well as the Principal and Surety, by certified mail, return receipt requested, of its intention of calling on the Contractor's performance bond due to the Contractor's default and failure to perform by the terms and provisions of the Contract.

16.0 INDEPENDENT CONTRACTOR: NO AGENCY

The Contractor will act hereunder as an independent contractor and not as an agent of the County. Similarly, the County is not an agent of the Contractor or empowered or authorized to obligate the Contractor in any way.

17.0 GOVERNING LAW

This Contract shall be governed by the laws of the State of Mississippi and applicable federal law.

18.0 BOND

18.01 Performance Bond

- (a) The Contractor will be required to furnish a corporate surety bond as security for the performance of this contract. Said surety bond shall be in the amount of 100 percent of the proposed cost of services as

proposed by the contractor in the first year this contract is in effect and shall be renewed each year thereafter throughout the term of the contract and any renewal periods in such amounts as the County shall require, but not less than estimated cost of services for the following twelve (12) months during the which services are to be performed taking into consideration Contractor's adjusted prices then in effect and shall be renewed and adjusted each year to the amount of the Contract. The Bond can only be extended with the express written consent of Surety, and the total liability of the Surety shall not exceed the penal sum of the bond.

The corporate surety corporation must be of known reputation and satisfactory to the County. A Moody's, A.M. Best's, or other such similar rating shall be required for companies other than nationally recognized firms.

- (b) The premium for the bond(s) described above shall be paid by the Contractor. A certificate from the surety company showing that the bond premiums are paid in full shall accompany the bond with the proposal.
- (c) The surety on the bond shall be a duly authorized corporate surety company authorized to do business in the state of Mississippi.

18.02 Power of Attorney – Attorneys-in-fact who sign performance bonds or contracts must file with each bond a certified and effectively dated copy of their power of attorney.

19.0 LICENSES AND TAXES

The Contractor shall obtain all licenses and permits (other than the license and permit granted by the Contract) and promptly pay all taxes by the County.

20.0 PRICE ADJUSTMENTS

- (a) *Adjustment of Collection Cost.* The Compensation payable by the County to the Company shall be annually adjusted by the same percentage as the Consumer Price Index for Water, Sewer, and Trash CPI, Not Seasonally Adjusted, All Areas ("C.P.I.") shall have increased during the preceding twelve months. In the event the U.S. Department of Labor, Bureau of Labor Statistics ceases to publish the C.P.I., the parties hereto agree to substitute another equally authoritative measure of change in the purchasing power of the U.S. dollar as may be then available so as to carry out the intent of this provision. The initial rate adjustment shall take effect on the first anniversary date of the Commencement Date, and rate adjustments for succeeding contract years shall take effect on the successive anniversary dates of the Commencement Date during each succeeding year throughout the term hereof. Monthly payments due by the County to the Company shall be adjusted to compensate for such annual rate increases.

(b) *Additional Adjustments.* In addition to the price adjustments set forth above, the Contractor's compensation shall be increased or decreased to offset any increased or decreased costs associated with a change in haul distance if an alternative Disposal Site or State Approved Disposal Facility is designated by the County pursuant to the terms of this Contract.

IN WITNESS WHEREOF, this Agreement has been executed in duplicate original on the day and in the year first above mentioned.
