

Madison County Government Transparency Initiative

Benefits

- Live video streaming of board meetings
- Video archiving by date (searchable)
- Minutes of meetings
- Agenda's and supporting documents
- Mobile Application
- Online Public Records Request
- Go "Live" in 30-45 days with streaming and video archive
- Significantly greater transparency of meetings
- Eventually include other meetings (P&Z, Elections, etc)

Board minutes will be included in the archiving at a future date after streamlining of the tool to compile the minutes is finalized. All done by US Next, the vendor who supports and hosts the county website

Initial Costs

- Equipment \$1,148
- Annual Hosting Contract \$2,388
- Total \$3,536
